# THE LOWER LEA VALLEY, LONDON

---

PROJECT | THE LOWER LEA VALLEY, LONDON

CLIENT | London Development Agency

SIZE | Six square miles

## CHALLENGE

Working closely with the Planning and Development Team, Project Management have been assisting the London Development Agency prepare the way for London's bid for the Olympic Games in 2012.

We are authors of the Masterplanning Brief, a framework which covers an area of approximately 6 square miles of East London, and anticipates a wide scale urban regeneration project in conjunction with, and stimulated by, the siting of the proposed Olympic facilities within the area. We are actively involved with the technical aspects of site assembly which is part of a £400m acquisition programme.

## KEY ASPECTS

- A unique project on a massive scale
- Highly complex Client and Stakeholder structure
- Full integrated service delivery with the Planning and Development team
